INTRODUCTION

- **GuilRoy Plumbing (PTY) Ltd** is a professional South African based plumbing company situated in Randburg, Gauteng, South Africa.
- We are passionate about providing a **professional service** that is **affordable** for our clients.
- Our **workmanship** is **guaranteed** by ensuring **our plumbers are qualified, follow SANS** (South African National Standards) guidelines and we **use SABS** (South African Bureau of Standards) approved plumbing products **which enables us to certify our work**.
- Our service offerings include: maintenance plumbing, new installations, heat pumps, geysers, blocked drains and leak detection. We also offer waterproofing, damp proofing, renovations and construction services.
- **Our promise** is full service just a call away

BRAND PROMISE

Full service plumbing
just a call away!

OUR APPROACH

At our foundation we believe that word of mouth is the best way to grow business.

The pillars of our organisation are:

Customer Centricity
Growing our People
Community involvement
Good supplier Relationships.

We embed these pillars in our culture in order to achieve our goal of providing good customer service and growth.

VALUES

Service

We take pride in providing our clients with solutions which best suit their needs.

Integrity

We aspire to display the highest levels of integrity in all our interactions.

Diligence

We are conscientious in paying proper attention to every task, giving the necessary degree of care in order to provide quality workmanship.

Stewardship

We have a responsibility through planning and resource management to be good stewards of the tasks we have been given to perform.
